

Norfolk Coast Cycleway

The map guide was developed by the Norfolk Coast Cycling Initiative using Sustrans National route 1 and regional route 30 following quiet roads and lanes through varied countryside between King's Lynn and Great Yarmouth via Cromer. On the reverse of the main map are a selection of 'explorer loops and links' which include the route below. Copies of the 'Norfolk Coast by Bike' maps are available through Tourist Information centres along the route and direct from Sustrans.

1 Ingoldisthorpe Explorer Loop

Fine views dominate along this route which travels pretty, winding lanes for much of its length. In some sections the high hedge lanes take on an almost cosy feel. If you're feeling energetic try outpacing the deer as you ride the boundaries of Houghton Hall park! An easy and delightful ride.

- 1 St Michael and All Angels Church, Ingoldisthorpe (said to have been built deliberately lopsided, as only God is perfect).
- 2 Saints Peter and Paul Church, Sherborne.
- 3 Anmer. Anmer Social Club welcomes visitors.
- 4 Care crossing the B1153.
- 5 Peddars Way (see information section).
- 6 Tumull (see map 2).
- 7 Houghton Hall (see map 4).
- 8 Route travels the boundary of Houghton Hall park. Look out for the white fallow deer.
- 9 Great Bircham (see map 4).
- 10 Bircham Windmill (see map 4).
- 11 Caution, cars can be travelling fast.
- 12 Park Farm, see the animals. Teas and toilets.

2 Sandringham Explorer Loop

It's a touch of Royalty for much of this route, and it shows in well kept roadsides, pretty cottages, and delightful wooded areas. You truly get away from the traffic, as this route has some well surfaced off-road sections. An easy ride that's easy on the eye, but it's best to use mountain bikes. Please keep to the waymarked routes in the Sandringham Estate.

A key to symbols is on the main map and a copy can also be found on the www.norfolkcoastaonb.org.uk website along with other loops and information. Although we have tried to ensure the information contained in this map is correct we cannot accept any responsibility for errors or omissions.
