Summary of changes
The aims of the review of the 2014-19 Management Plan were to produce a revised 2019-24 Management Plan with:

- Improved design
- Improved clarity of language and meaning
- A focus on delivery
- Brevity, moving an additional depth of information into supporting documents
- Demonstration of an appreciation of the high levels of change to many key external factors
- Updated objectives, demonstrating an appropriate response to these changes

### Structure of the plan
- The Strategy
- The Action Plan and Annual Progress Report
- Associated Guidance
- Using the management plan

### 3. A special place
#### Introduction

#### 3.1 Qualities of natural beauty
- Statement of significance
- Summary of key qualities of natural beauty of the Norfolk Coast

#### 3.2 Assessment of the condition of the area’s natural beauty

#### 3.3 Key drivers of change in the area
- Coastal processes
- Climate change
- Policy and socio-economic drivers

### 2. Understanding the area
- A special place
  - How designation informs management
  - National Landscapes
  - Statement of Significance
  - Summary of special qualities
- Key external factors
  - Climate change
  - Sea level rise
  - National and international policy
  - Coastal processes
  - Local development
  - Visitor numbers and activities

### 4. Themes objectives and policies
#### 20 year vision for the area
- How designation informs management
- National Landscapes
- Statement of Significance
- Summary of special qualities
- Key external factors
  - Climate change
  - Sea level rise
  - National and international policy
  - Coastal processes
  - Local development
  - Visitor numbers and activities

- A special place
  - How designation informs management
  - National Landscapes
  - Statement of Significance
  - Summary of special qualities

#### Understanding and education

#### 4.1 Landscape, biodiversity and geodiversity

#### 4.2 Built and historic environment

#### 4.3 Farming, forestry and fishing

#### 4.4 Sustainable communities

#### 4.5 Access and recreation

For each theme:
- Introduction
- Vision in 2034
- Key issues relating to natural beauty for 2014-19 plan
- Objectives 2014-19
- Policies 2014-19

### 3. What we plan to achieve
- Managing change
  - Strategic strand 1: Natural environment
  - Strategic strand 2: Recreation
  - Strategic strand 3: Built environment
  - Strategic strand 4: Local communities and the rural economy

For each strand:
- Our vision for the future
- What might influence progress
- Objectives

### 5. Monitoring and review
- Monitoring the condition of the area’s natural beauty
- Monitoring implementation of the Management Plan

### Appendices
- Glossary of technical terms
- References
- List of supporting documents

- Replaced with footnotes

- Photographic index map
- Acknowledgements

- **Project-focused inserts**
  - #1: Supporting local habitats and wildlife
  - #2: Defending the character of the built environment
  - #3: Removing overhead electricity lines
  - #4: Enhancing public understanding
  - #5: Harnessing art to engage with new audiences
